COUNCIL COMMUNICATION

AGENDA TITLE: Discussion of City Council Position Regarding Future Use of City-Owned Property on Awani Drive (Scenic Overlook Area)

MEETING DATE: April 1, 1992

PREPARED BY: City Manager

RECOMMENDED ACTION: That the City Council review the issue of the future use of the City-owned property on Awani Drive (Scenic Overlook Area) and take action as deemed appropriate.

BACKGROUND INFORMATION: For the past several months there has been considerable discussion on the issue of public access to the Mokelumne River. Included in the discussions of the Mokelumne River Access Task Force and the Parks and Recreation Commission was the future use of the City-owned property on Awani Drive commonly known as the Scenic Overlook. Both the Mokelumne River Access Task Force and the Parks and Recreation Commission recommended that this area be developed as a public park accessible by boat only. At its regular meeting of March 18, 1992 the City Council took no action on this recommendation, opting to wait on any decision in this regard to completion of the Parks and Recreation and Open Space Master Plan.

At the request of Councilmember Sieglock, and with the concurrency of Mayor Pinkerton, this matter has been placed on this agenda for additional discussion. This request is made as an accommodation to the residents in the area who are vitally interested in this issue, and anxious to learn of the City Council's position at this time.

FUNDING: None required

Respectfully submitted,

Thomas A. Peterson
City Manager
